Later this summer, Marvel Studios' *Thor: Love and Thunder* promises to electrify audiences, and Chris Hemsworth, Natalie Portman, Taika Waititi, and Tessa Thompson give us an early insiders' look at what promises to be an unbelievable adventure.

And since it's starting to heat up, get ready for summer with *High School Musical: The Musical: The Series* season three, which sees the Wildcats experience the fun and drama of theater camp with new characters and a new production—*Frozen: The Musical*.

The new issue, available exclusively to Gold Members of [D23: The Official Disney Fan Club](#), also features a chat with Disney Legend Dick Nunis, discussing his 40-plus-year career at Disney, including working closely with Walt Disney himself.
